## We Build Blockchain Companies That Will Shape Our Future

## We are Different by Design

Bloxsar Tech Ventures Inc. is a 360° Hybrid-Incubator for blockchain technology entrepreneurs, from idea conceptualization to commercialization. The World Economic Forum estimates that 10% of global GDP will be hosted on blockchain technologies by 2025 and blockchain applications will impact every aspect of economic and legislative activities regardless of borders, religion or political associations to greater trusted & shared economy for all people to prosper.

Bloxsar recognizes the seismic opportunity blockchain represents and intends to build blockchain companies that will change our future.

*"The biggest opportunity set we can think of over the next decade."*

Bob Greifeld, CEO NASDAQ

## Bloxsar Investment Model

### Equity Partnership
