

WRIGHT

DRILLING & EXPLORATION^{INC}

OIL & GAS PARTNER OPPORTUNITIES

We Build Generational Wealth

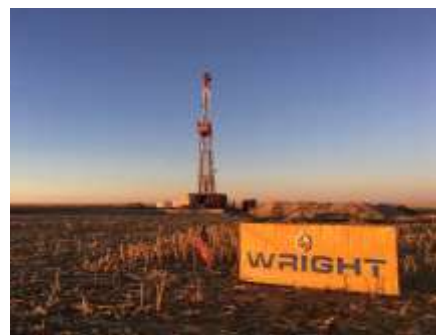

Who We Are

Wright Drilling & Exploration, Inc. is an emergent North Texas-based oil and gas company specializing in limited liability companies with direct participation drilling and exploration ventures. The company was built on a solid foundation of trust and proven team with 300+ years of combined professional experience in the oil and gas industry. Wright Drilling & Exploration possesses the integrity and expertise to help its partners prosper in oil & gas drilling and exploration for their generational wealth. Partnership offerings include diverse multiple-well drilling packages prepared by multiple proven geologists and span over multiple states and counties.
